CAMINO DE SANTIAGO

YOUR JOURNEY STARTS HERE!

eSTUcampus 

 **INGENIO**
INTERNATIONAL

Course duration: 4 weeks.

Dates: To be determined.

Arriving in Pamplona the Sunday before the course start date and leaving on the Saturday after the course finalized.

The program includes:

Lessons: 40 lessons of General Spanish and Culture + 20 lessons on History of the Camino de Santiago given through English. History of the Way, it's social and economic impact on the communities through which it passes. 6 hours of lessons per day. From Monday to Friday.

Accommodation:

- **First two weeks:** Students have home-stay double room accommodation with half-board (breakfast and dinner) Monday to Friday and full board (breakfast, lunch and dinner) at the weekend. Teacher has self-catering apartment accommodation.
- **Last two weeks** (students + teacher): Hotel accommodation in double or triple rooms with breakfast included.

The accommodation starts on the Sunday before the course start date and ends on the Saturday after the course finalized.

Our courses of Spanish:

- The **school** offers courses of Spanish for foreigners **to suit all levels** as set out in the Common European Framework of Reference. The first day of class the student will be given a placement test and will be placed in the level that corresponds to the results of his/her test.
- The **methodology** used in our courses **enables the students to communicate effectively in Spanish**, both **orally** and in **writing**. In our methodology **the student is the protagonist** as it is focused on his/her needs and objectives. We understand that the student is the centre of the teaching/learning experience. Our methodology enables the students to carry out the linguistic interaction that is necessary for their daily activities.

The school:

- The school is **located** in a modern building **close to the city centre**. The **teachers** are university qualified as well as having **specific training in the teaching of Spanish as a second language**. They have a long experience in teaching Spanish and Spanish for specific purposes to American University students
- The school has **7 classrooms**, a waiting room and the entire school has **wifi** so those students who bring their laptops with them can use the wifi free of charge within the school installations.
- Near the school there are several coffee-shops, bars and restaurants where students can enjoy a quiet coffee or have a tapa or pintxo as they are known here in Pamplona.

Pamplona:

Pamplona is a medium sized city, capital of the Region of Navarra, in the **North of Spain** close to the **border with France**. Pamplona is famous worldwide for its **San Fermin** festival which take place each year from 6th till 14th July. These festivals were made world famous by the American writer Ernest Hemingway in his book "The sun also rises" or "Fiesta" in its Spanish version. Pamplona is a **safe city** where students can **feel at home**. It is **not a tourist city** so the students will have **plenty of opportunities to speak Spanish** to the local people while shopping or just out having a quiet coffee.

Activities :

- Some **cultural weekends activities**: Guggenheim museum, medieval castle, winery, farewell dinner.
- **Walking 12 stages of the Camino de Santiago**. Start on Monday

Other services:
